Company at a glance

"Cheng Yi Garments Industries Limited" is located in Gazipur, 15 kilometers from Shahjalal International Airport Dhaka. It is one of the most successful "CAPS" manufacturing companies in Bangladesh, a country with great potential in the field of ready-made cap manufacturing. Cheng Yi Garments Industries Limited is a young, rapidly growing company in the country. With Chinese investors, it is a 100% export-oriented cap manufacturer. It has acquired a versatile production chain influenced by the strong fashion developer and excellent management of its head office situated in Zhejiang, China, to cater to flexible orders with total control over the value chain. This enterprise offers strong product development, quality cap manufacturing, including printing, embroidery, and laundry services, to its customers.

Cheng Yi Garments Industries Limited started its journey in 2014, producing value for its customers across the globe. It has arduously reengineered each step of its value chain to match the dynamism of the fashion market around the world. It developed a skilled workforce and introduced integrated technologies to remain globally up to date. It is a pioneer of the cap manufacturing industry in Bangladesh and the prime choice of many foreign retailers.

It is truly an organization with a glorious past and bright future.

Our Code of Conduct

Cheng Yi Garments Industries Limited is committed to fostering a sustainable manufacturing environment, in which the highest ethical standards are maintained across our supply chain. We adhere, and expect our suppliers to undertake best practices in our industry that tackles various human rights and environmental challenges.

1. Cheng Yi Garments Industries Limited has a zero tolerance policy for exploitation and abusive conditions. Our “Supplier Code of Conduct” defines our minimum expectations. We expect our suppliers to act responsibly and ensure that no exploitative, abusive or illegal conditions exist at their workplace.
2. Cheng Yi Garments Industries Limited requires its suppliers to extend principles of fair and honest dealing with those whom they conduct business, including employees, subcontractors, and other third parties. We only partner with suppliers whose business practices are lawful, ethical, and in compliance with the principles set forth in the Code of Conduct.
3. Cheng Yi Garments Industries Limited will only conduct business with suppliers who have agreed to the Cheng Yi Garments Industries Limited Supplier Monitoring Program, under which they will be subject to regular inspection, evaluation and communication to ensure their adherence to the code of conduct.

In regards to employment practices, the following standards are maintained by us and expected from our business partners throughout the supply chain:

NO FORCED LABOR: This includes bonded, indentured, slave, or prison labor.

No child labor: All employees must be at least 18 years of age.

No Harassment or Abuse: Employees must be treated with respect and dignity. Physical, sexual, psychological, and other types of harassment and abuse, as well as inappropriate disciplinary action, are strictly prohibited.

NO Discrimination: Employees may not be subject to any discrimination in regards to hiring, salary, benefits, advancement, discipline, termination, or retirement on the basis of their gender, race, religion, age, disability, sexual orientation, ethnic origin, or political opinion.

Health & Safety: A safe and healthy working environment must be provided, which reduces the likelihood of accidents or illnesses attributable to any manufacturing operations and machinery handling.

Freedom of Association: The right to collective bargaining must be respected in accordance with the national laws, without any threat of disciplinary action.

Wages and Benefits: Wages must sufficiently meet workers' basic needs and provide some discretionary income. Throughout our supply chain, workers must be paid at least the minimum wage as well as any benefits specified by local law.

Work Hours: No employee shall be required to work beyond the limit of regular and overtime work hours allowed by law, except under extraordinary business circumstances. Every employee is entitled to at least one day off within a seven-day period.

Legal and Ethical Practices: "Worker rights" must be held in the highest regard throughout the supply chain, and our partners must fully comply with all applicable local and international laws and regulations.

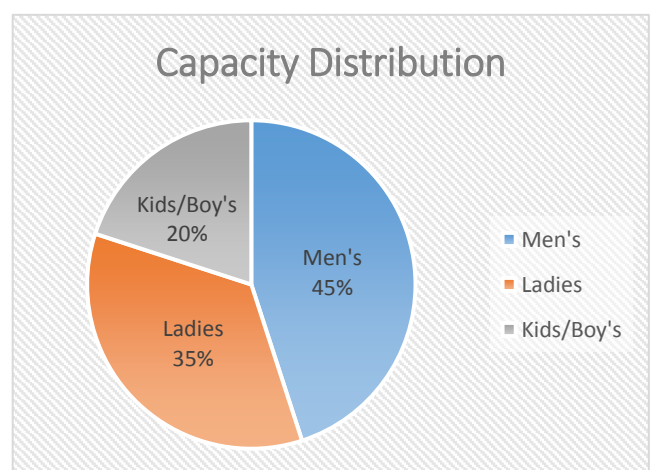

Environment: All applicable environmental laws, rules, and regulations must be upheld. Best environmental practices are encouraged throughout our supply chain.
